Dear Supervisors:

**STATUS OF THE OCTOBER 7, 2008 BOARD MOTION CONCERNING AN
ORDINANCE PERTAINING TO WINERIES**

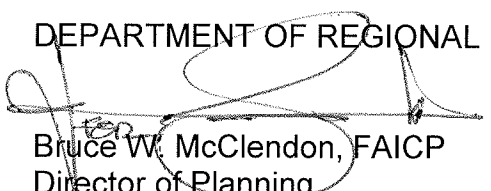

On October 7, 2008, your Board directed the Director of Planning to prepare an ordinance that modifies development standards and permit processing procedures pertaining to wineries and to present the ordinance to the Regional Planning Commission for consideration during a public hearing within 90 days.

Although an ordinance has been prepared, staff must conduct additional outreach, prepare and circulate an environmental document pursuant to the requirements of the California Environmental Quality Act, and provide public notice of the Regional Planning Commission hearing pursuant to the requirements of the County Code. Therefore a 90 day extension is requested.

If you have any questions regarding this matter, please contact Mitch Glaser at (213) 974-6476 or mglaser@planning.lacounty.gov.

Respectfully submitted,

DEPARTMENT OF REGIONAL PLANNING
